Cox School of Business, Crow 282

Meeting Times. Our meetings will be held on Mondays (Bridwell), Tuesdays (McLane), and Wednesdays (Armentrout) at 6-7 pm, and Fridays (Armentrout) at 11am-

Come Prepared. Your **active participation is required.** Those who do not do so will not receive the \$1,000 stipend. Planning ahead is the best way to make sure you are contributing to the group discussion. You should have 3 or 4 specific questions or comments prepared in advance for each session – preferably related directly to the texts. If there’s a lull in the conversation, use that opportunity to ask one of your prepared questions. It is important that everyone has an opportunity to participate, so please monitor your level of participation accordingly. (With 60 minutes and 12 students, that’s only an average of 5 minutes each.)

Be Critical. There is room for disagreement. Don’t agree unthinkingly with the readings or each other. Reasonable people disagree, so be reasonable, but do so **respectfully.**

Be Humble. The writers we read did not know everything and neither do you. Be willing to listen to the writers and each other, and be willing to say, “I don’t know.”
