Responding vendors should only send one response and NOT include redacted information in that response. Vendors may identify any proprietary information to be kept confidential in their responses.

**Should vendors use the Scope of Work (as listed in Section 4) as a point of reference to develop a financial proposal?**

Yes

**As applicable, can SMU please confirm that searches should be performed as alias/AKA inclusive?**

Yes. Any name that has been used by the candidate in the past should be searched.
